**SCOTTISH GOLF UNION MEMBERSHIP**

In order to hold a valid handicap and enter competitions at the club it is necessary to pay an additional £14.50 on top of your membership. Our policy at the club is that this is not compulsory, however if you choose not to pay it then you will not be on the SGU database and therefore unable to enter competitions either at Traigh or at any other club which requires a handicap. Please tick if you would like to be an SGU member and pay the **£14.50** fee.

I would like to be a member of the SGU and hold a valid handicap.

As a club who struggle for money to implement improvements and changes, we are this year asking for a voluntary addition/contribution to your membership of £10. We would like to stress that this is entirely voluntary, and that these funds will be retained by the club for their sole use.

I would like to pay a £10 donation towards club funds.
